I recall just walking down the street  
Trying to escape the city heat  
I saw her from the corner of my eye, eye, eye  
Yes she looked so good I thought I'd die  
My heart went bang shang a lang, bang shang a lang  
Bang shang a lang, bang, bang  
My heart went bang shang a lang, bang shang a lang  
Bang shang a lang, bang, bang

Something said I shouldn't waste no time  
If I'm ever gonna make her mine  
I walked right up and say how do you do, do, do  
She said I bet I do as good as you  
My heart went bang shang a lang, bang shang a lang  
Bang shang a lang, bang, bang  
My heart went bang shang a lang, bang shang a lang  
Bang shang a lang, bang, bang

I remember when I held her tight  
Felt like holding dynamite now  
What's that ringing in my ear  
Tell me ain't those bells I hear  
Bang, bang, shang a lang  
Bang, bang, shang a lang  
Bang, bang, bang  
Shang a lang lang  
Bang, bang, bang  
Shang a lang, lang

Now she's gonna spend her life with me  
Then we'll be as happy as can be  
Because I love her more than I can tell, tell, tell  
Sunday afternoon we'll hear the bells  
And they'll go bang shang a lang, bang shang a lang  
Bang shang a lang, bang, bang  
And they'll go bang shang a lang, bang shang a lang  
Bang shang a lang, bang, bang
