Buy one of these things today  
It's bright and shiny and on sale  
See all of the time  
It saves and when you're done just throw it away  
Be the first one on the block!  
This will take the pain away  
Then you can go out and play  
Buy a few to put away  
Save some for a rainy day  
Be the first one on the block!  
This cookie crumbled  
It burst my bubble  
My thoughts are jumbled  
I heard a rumble  
It made you stumble  
I took a tumble  
Be the first one on the block!
