I saw her walking down the street he jumped down,  
He knocked her off her feet and then I knew it was the  
end of her

He's gonna kill that girl He's gonna kill that girl  
He's gonna kill that girl tonight

When I saw her walking down the street my heart stood  
still and skipped  
A beat then he knocked her on the floor but he wanted  
just a little bit more

He's gonna kill that girl He's gonna kill that girl  
He's gonna kill that girl tonight

When I saw her walking down the street my heart stood  
still and skipped  
A beat then he knocked her on the floor but he wanted  
just a little bit more

I saw her lying on the street he jumped down, he  
knocked  
Her off her feet that's when I knew it was the end of her

He's gonna kill that girl He's gonna kill that girl  
He's gonna kill that girl tonight

When I saw her walking down the street my heart stood  
still and skipped  
A beat then he knocked her on the floor but he wanted  
just a little bit more
