I'm her yesterday man
Well my friends that's what I am
I'm her yesterday man
Well my friends that's what I am
That's what I am, her yesterday man

Please tell me something have you met an angel
Someone too lovely to live on earth
Well yesterday I thought I met an angel but
She wasn't worth but she seemed to be worth

Oh, what a fool I have been
Boy, I was sure taken in.

Yeah, I'm her yesterday man
Well my friends that's what I am
I'm her yesterday man
Well my friends that's what I am
That's what I am, her yesterday man

Get some of the good kind and some of the bad kind
Some of the others are in between
But all that I can say she is the worse kind
Well I think you know what I mean

And yet for all that I say
I take the bad any day

Now I'm her yesterday man
Well my friends that's what I am
I'm her yesterday man
Well my friends that's what I am
That's what I am, her yesterday man
