Thou, dweller of the night sky whose voice is thunder
and storm,
Thy allies are chaos and glory, thy realm is darkness
adorn
Thou, slayer of Apophis who died a thousandfold death
Bringer of light - blessing and bane

Six is thy number,
Thy name is Seth

Adversary of the one-sided
Grant us thy magical will
Great is thy power - ferocious thy wrath
Thy brilliant endeavour - we shall fulfill

Seth lo!
The old typhonic beast
Seth lo!
To thee we are sworn...

By our brotherhood with Seth sacred to us
Is thy glorious strife!
Patron of rebellion!
The great Horus Eye - it is ours...
By our brotherhood!
