[Scene VI]

The priest goes into a detailed description of the  
unholy rite  
That did cast the evil spell onto our main character.

A moonless sky, midnight was nigh  
No sound did break the still  
A strange mystique  
Was felt in all  
A spirit that seemed  
Wrong and ill

Suddenly the cold winds blew  
And coyotes howled afar  
A mighty thunder shattered the earth  
The growl of grand GNAA

Whisp'ring voices could be heard  
Utt'ring a foul spell  
Man circled 'round a secret stone  
And summoned greatest hell

Cold blades did light in darkness  
And the high priestess  
Started the unholy rite...

IA! IA! KTULU FTHAGHN!  
IA! R'LYEH! KTULU FTHAGN!

Blood was shed unto the stone  
That raised into the air  
And from the ground crept  
What seemed snakes,  
But God know what was there!

Cold blades did light in darkness  
And all the desert  
Seemed to join the blasphemy

IA! IA! KTULU FTHAGHN!  
IA! R'LYEH! KTULU FTHAGN!
