Tiny muscle
Work your magic
Now the party's done
It's a long haul but you can do it
You're a natural

No more trophies
As the consolation fantasy
Like a nervous random stranger at a gloryhole
At a gloryhole

While I'm evolving from a child to an aging child
You're maturing from a memory to a legacy
Not complaining
Living better in a time capsule

No more trophies
No more falsified identities

We never talked on a cellular telephone,
We never talked on a cellular telephone,
We never talked on a cellular telephone,
We never talked on,
We never talked on,
We never,
