Our eyes have seen the glory of the rise before the fall  
Times get tight no end in sight we've run into these  
walls  
Sit back and have a laugh let's talk about the things  
we've done  
And what we never have look how far we've come

This is what we say  
This is what we are  
This is what we are

And if you don't know  
You weren't meant to  
If you can't see  
Don't even try to understand  
If you don't know  
If you don't know  
If you don't know  
You weren't meant to

Fortunate we are but fortunes come and go  
Buy yourself some time the years still take their toll  
Even when you think you got it sussed  
Sometimes all that you can trust  
Is the sun will rise tomorrow  
And that's alright with us

And if you don't know  
You weren't meant to  
If you can't see  
Don't even try to understand  
If you don't know  
If you don't know  
If you don't know  
You weren't meant to

And if you don't know  
You weren't meant to  
If you can't see  
Don't even try to understand  
If you don't know

If you don't know  
If you don't know  
You weren't meant to
