I won't feel a thing

I can't talk
I can't sleep
I'm so numb that i can't breathe
I can't talk
I can't sleep
I'm so numb that i can't breathe

Shoot you up with novocaine
Shoot you up with novocaine
Shoot you up with novocaine
You won't feel a thing
Shoot you up with novocaine
Shoot you up with novocaine
Shoot you up with novocaine
You won't feel a thing

I can't think in my sleep
I've got anesthetic dreams
I can't think in my sleep
I've got anesthetic dreams

I can't think in my sleep
I've got anesthetic dreams
I can't think in my sleep
I've got anesthetic dreams

I can't think in my sleep
I've got anesthetic dreams
I can't think in my sleep
I've got anesthetic dreams
