She set herself on fire
I was burned from head to toe
Please don't tell anybody
I can't bear them to know

She says it's all for show
Makes me crazy, I don't really wanna know
I'm a bleeding heart
There's no doubt about it

Oh no, oh no
I've done it again
Oh no, oh no
She's phoned up her friend
Oh no, oh no
She's not stopping
Cos there's no stopping
Till the tears stop dropping again

There's an accident I know
I lost all self control
Can anybody hear me?
Anybody save my soul?

Its far too dead outside
To go on living a lie
I just don't need that back anymore
That strips you from the inside

She says its all for show
Shakes her mess and brings it down the floor
She's got a big black heart
There's no doubt about it

Oh no, oh no
I've done it again

Oh no, oh no
She's phoned up her friend
Oh no, oh no
She's not stopping
Cos there's no stopping
Till the tears stop dropping again

Oh no, oh no
She's done it again
Oh no, oh no
She's phoned up her friends
Oh no, oh no
She's not stopping
Cos there's no stopping
Till the tears stop dropping again

No stopping, there's no stopping
There's just no stopping
There's no stopping
Till the tears stop dropping again
