I've been set up like the innocent.  
I've been swank  
And I'm lovin' it.

I've been alone like a little kid.  
I've been swank  
And I'm lovin' it.

I've been swank  
And lovin' it.

Oh no - it's a sin! The Jury's in.  
Doesn't look like I'll be doin' it again.  
Cause I've been swank  
Been swank - and lovin' it.

I've been swank  
And lovin' it.

The nights are cold  
The nights are long.  
I'm alone and I've been alone all along.  
I've been set-up like the innocent.  
I've been swank  
And lovin' it.

I've been swank  
And lovin' it.

I've been swank...and lovin' it
