### "Blame Game"

First thing I do:  
Start a revolution  
Built around me and you

Who are we to know the game  
To freedom?  
Dead to say, built between them  
Kept aghast  
Kept aghast

Well who can blame him for trying?  
Oh, oh  
I have to keep him from lying  
Oh, oh  
Hey

The next thing I do  
Is stop watching the clocks  
Cos everyone knows that time is fleeting  
Open your ears and hear the pleading

Echoes of voices, fighting for years  
Ringing with hatred, growing each fear  
Dead to say, don't turn my way...

Well who can blame him for trying?  
Oh, oh  
I have to keep him from lying  
Oh, oh  
Hey

Well who can blame him for trying?  
Oh, oh  
I have to keep him from lying  
Oh, oh  
Hey

Last thing I do  
Is tear away these scars  
Paranoid, bleeding as bright as the night  
Dancing with pain, with pain, with pain

Well who can blame him for trying?

Oh, oh

I have to keep him from lying

Oh, oh

Hey

Well who can blame him for trying?

Oh, oh

I have to keep him from lying

Oh, oh

Hey, hey, hey
