Wishing for your love

Oh I am wishing
Longing
And yearning for your kiss

Wishing
Praying
And longing for that heavenly bliss

Yes I am hoping
Yes hoping
That someday I'll be blessed

When you
Say I'm
Your only happiness

Wishing, wishing, wishing is all I do
Waiting, waiting, waiting in vain for you
If you'll say that you'll be mine and make all my dreams
come true
I'll be completely forever yours

I pray that someday
You'll say
What I long to hear

My dear so I'll keep waiting
And wishing for your love

Wishing Wishing Wishing Wishing
Wishing for your love
