These fleeting charms of earth  
Farewell, your springs of joy are dry  
My soul now seeks another home  
A brighter world on high

I'm a long time travelling here below  
I'm a long time travelling away from home  
I'm a long time travelling here below  
To lay this body down

Farewell kind friends whose tender care  
Has long engaged my love  
Your fond embrace I now exchange  
For better friends above

I'm a long time travelling here below  
I'm a long time travelling away from home  
I'm a long time travelling here below  
To lay this body down...
