I gotta make it right
To get to you tonight
I'm doin' what I can
I never liked your face that deadpan
I need a new thing
Than what I'm doin'

I want something more but i'm never sure
I've really had enough of this
I've been doin' fine a little outta line.
I've really had enough of this.
I've been runnin' round
I've been fallin' down
I've really had enough of this.

So tell me what to do
'Cause I don't wanna be without you
I'm leavin' anyway.
Don't want to hear a word that you say.
Go get my high
Don't let me down.
Beautiful sight
Beautiful sound
