

The Waking Eyes "Headlights"

I've been movin' along
But just to get away
Airstreams carry me on
And at the end of the day.
I wake up.

Only to find that you're on my mind
It happens all of the time
And I don't know why

You're caught in the headlights
I want to tell you.
It's taken it all night
Just to burn through
You're caught in the headlights
And now you're chasin'
What's makin' you feel right?
My heart is always racin'

Ashtray catchin' the rain.
An empty patio
And I'm just goin' insane
Cause they don't ever want me to go where I'm going
