Are you a knife in the dark?
Patiently await a chance.
To take a stab at my heart.
Do ya do ya wanna dance?
Yeah what do ya got
Are you just artificially feelin'?
Yeah show me you're not.
'Cause you know what I need is the real thing.

You gotta get you gotta get.
More than what you're givin'
More than what you're givin'
You gotta get you gotta get
You gotta get you gotta get
Something out of livin'
Something out of livin' your way

Yeah are you only reactive
Cause you gotta make a move
I'll be watchin' like a detective
Girl how you gonna handle the groove?
