Here... smokin' on a train
Leanin' on the pain
Cause all I have is my own hard luck
Yeah I took off
Had to get away.
I didn't want to pay a penance to all the cold hard luck.
Somehow I knew your intention was to...

Wrap me up around and around.
Lock me away
So I just put my foot on the ground
I walked away

No way to tell me when.
I screw it up again
Falling victim to my hard luck
Yeah I was blind I just couldn't find.
Your silhouette behind the spectre of all my hard luck
again.
Somehow I knew your intention was to...

Wrap me up around and around.
Lock me away
So I just put my foot on the ground
I walked away

I'm leavin' babe
To go back to my place
Get out the rat race.
Those at the table are ready and able
To put something on it
It better be chronic
Watchin' the night slip away...

Wrap me up around and around.
Lock me away
(3X)

So I just put my foot on the ground
I walked away

Wrap me up around and around.

Lock me away

I had to leave you baby

So I'm leavin' on a train...
