Richard had to wait too long
The t's are crossed the spelling's wrong
The sentences are totally without proper melody
At least the work is getting done.

An echo 102 request
All backup units screw the rest
Sending out an APB
Bring that mother back to me
In our hands and nothin' less.

Takin' the hard way
Workin' it all day
Takin' the hard way
Just keep on movin on.
Takin the hard way
Losin' is Ok
Takin' the hardway

Running hard nowhere to go
Underground and lyin' low.
We've got to get a steady way to make some numbers
up today
Nothin' uh-oh on one knows!

Takin' the hard way
Workin' it all day
Takin' the hard way
Just keep on movin on.
Takin the hard way
Losin' is Ok
Takin' the hardway

Whooo!

Takin' the hard way
Workin' it all day
Takin' the hard way
Just keep on movin on.
Takin the hard way
Losin' is Ok
Takin' the hardway
