I got a picture and it do what I need.  
I got a garden and I planted some seed.  
Give me an hour and I'll get what you want.  
Or you can find somebody else to get off.

Watch your money! watch your money! watch your  
money!  
Everybody wants some honey! watch your money!

I got a package and I know what to do  
I got my goggles on so I can see through you  
Give me a minute and I'll get what you like  
So I can keep you coming all through the night

Watch your money! watch your money! watch your  
money!  
Everybody wants some honey! watch your money!

My hands are shaking and I want you to know  
You know I got the money and I'm ready to blow  
I got to have an hour just to get what you want  
Or you can find somebody else to get off

Watch your money! watch your money! watch your  
money!  
Everybody wants some honey! watch your money! (2X)

Whooh!
