Of course, I knew that you lived near
I guess that I will just have to suffer
I moved around a lot this year
Trust me to end up near an ex-lover

Ohh, well, it seems
(Ohh, well, it seems)
That I have made
(That I have made)
A big mistake
(A big mistake)
But I'm not going
So you better get used to it

I realize, I've been gone years
I didn't even write you a letter
I could have saved a lot of tears
By keeping in touch, that would have been better

Ohh, well, it seems
(Ohh, well, it seems)
That I have made
(That I have made)
A big mistake
(A big mistake)
But I'm not going
So you better get used to it

I don't know and I'm not sure if
You will want me around you again
I don't know and I'm not sure if
You will want me around you again

Of course, I knew that you lived near
I guess that I will just have to suffer
I moved around a lot this year
Trust me to end up near an ex-lover

Ohh, well, it seems
(Ohh, well, it seems)
That I have made
(That I have made)

A big mistake
(A big mistake)
But I'm not going
So you better get used to it

I don't know and I'm not sure if
You will want me around you again
I don't know and I'm not sure if
You will want me around you again

I don't know and I'm not sure if
You will want me around you
