They read my mind
I waited so patiently
Far than too long
And life's been
Dancing in light
And nobody knows
Who I am
Or where I have been

Blink- and it's gone
I'm losing my grip on my breath
When I'm trying to sneak
Into their arms
Am I a boy?
Or am I just one sempred need?

Foo flighters flow
I read a book a bout
Places that i'v never seen
Wanting too much
You might be surprised
If that's what you got
You can't blow

Blink- and it's gone
I'm losing my grip on my breath
When I'm trying to sneak
Into their arms
Am I a boy?
Or am I just one sempred need?

Blink- and it's gone
I'm losing my grip on my breath
When I'm trying to sneak
Into their arms
Am I a boy?
Or am I just one sempred need?

Well, this was my translation. but a really nice guy
named gary send me his. I think his is better than mine,
have any other fans (if they exist) even better ideas? ?
?

They read my mind
I waited so patiently
For them to come at light speed
Dancing in light
And nobody knows who I am
Or where I have been

Blink-and it's gone
I'm losing my grip on my breath
When I'm trying to sleep.
Into their arms,
Am I a boy
Or am I just bones and red meat

Foo fighters flow
I read a book about places that
I've never seen
Wanting too much
You might be surprised
If that want you get, you can't leave

Blink-and it's gone
