The rumble of the engines in the station almost put me
to sleep
And the wino covered up with yesterdays news
Is lying next to me
I see a redheaded girl with pony tails
Reminding me of you
I don't know why i left
It was something i had to do

Looking out the window as the skyline fades away
When i see your face i have no idea
What im gonna say
I've got a picture of me holding you
Right here in my hands
I recognize my face
Now im gonna catch a greyhound
Getting out of this town
Im gonna catch a greyhound back to you

I close my eyes but i can't seem to sleep
And the past rolls through my mind
Like a river cold and deep
Morning comes and the sky begins to rain
It feels good to feel something
Even if it's pain
Now im gonna catch a greyhound
Getting out of this town
Im gonna catch a greyhound back to you

Its amazing how a tender voice
On the other end of the phone
Can change your mind you life
Just by sayin
Daddy please come home

Gonna catch a greyhound
Getting out of this town
Im gonna catch a greyhound back to you

Yes im gonna catch a greyhound
Getting out of this town
Im gonna catch a greyhound back to us

Im starting my life over
On a greyhound bus
