If one drink,
Could make tonight,
Slip my mind then I
Should drink up,
So I can forget that
I haven't lived my life
You are an example of,
Better things to come
So why wait on some other escape,
That leads me nowhere fast
I've got to ask.

You've got nothing to lose
Except for me and you.
And I love that attitude
When you know I can do,
I'll do better than you.

If one drink, could make tonight,
Slip your mind then you
Should drink up, so you can convince
Yourself that I am cute
We are an example of,
Why not to fall in love
It takes a turn and then it hurts
More than you could dream of.

Well you've got nothing to lose
Except for me and you.
And I love that attitude
When you know I can do,
I'll do better than you.

You've got nothing to prove,
Oh no wait yes you do.
You wear it so well that we think it's true.

You can't stay I want you gone,
For pulling the carpet I was standing on. (x3)
Here's the exit, exit, exit.

You've got nothing to lose

Except for me and you.
And I love that attitude
When you know I can do,
I'll do better than you.
(We are an example of... why not to fall in love)
