She Wants To Rock

It's Tuesday night it's twenty to eight  
I'm picking up my baby and I'm already late  
There's a blond hair beauty in the liquerstore line  
She asked me to share her bottle of wine  
It's just my luck would'nt you know  
She wants to rock but I gotta roll

We play in the dent'nt got one more show  
Pretty little honey's on the ferry front row  
Blue jeans skirt climbing way up her knees  
I was crawling on stage she was winkin'at me  
It's just my luck would'nt you know  
She wants to rock but I gotta roll

She wants to rock but I gotta roll  
She wants talked about love but I gotta strole  
There's always a way my life go's  
She wants to rock I gotta roll

Sittin'in a diner it's three am there's a girl in the corner  
Who's name is Sin  
She wants to take me home and make me feel right  
Gotta get home to my sweety tonight  
It's just my luck would'nt you know  
She wants to rock but I gotta roll
