We could do it real big bigger than you ever done it,

I gotta feeling tonight's gonna be a good night,

Let's talk about hate cause I get a lot of that,

Those girls just want to take your money,

Now accepting

Girlfriend applications do you got what it takes huh,

Is chilling and burning it down ya dig,

See I jig in

Bapes or jordans so many lesbians dance with
homeless apes that came from the zoo,

You don't have to be

Alone to feel lonely,

Hey dorks grab the shades it's summer time,

Yeah I'm moving on but that's the

Way it goes when you break my heart,

Now everybody knows please don't pull that shit again.

Boats and Hoes,

Pimp boats and hoes,

Buy boats and hoes,

Grind boats and hoes,

Ride boats and hoes,

Steal boats and hoes,

Get boats and hoes,

Lick boats and hoes,

Boats and hoes.

I may be young but I aint dumb I've got
Some tricks but I aint one,

They're all just playing the game it's like same girls but
different
Names,

These are my words that I've never said before I think
I'm doing okay,

And this is the smile that
I've never shown before,

Nobody asked for life to deal us with these bullshit
hands,

We're dealt we
Gotta take these cards ourselves,

And flip em don't expect to help bitch.

Boats and hoes,

Stay on boats and hoes,

Slap boats and hoes,

Lick boats and hoes,

Pimp boats and hoes,

Buy boats and hoes,

Get boats and Hoes,

Ride boats and hoes,

Grind boats and hoes,

Boats and hoes.

Dang yo my swag is super fresh like dougie,
When fools act up our boys will grub on these little
pussy niggas,

And we stack cold blooded bodies down low,

W.o.d and md be burning this thang down,

We bend knees they break hips but bro I stay doing the
poole palace,

If you aint steady yanking or cranking like us,

You bitches better gone out that door,

My krew brings that
Envy dope shit to da table,

While you other suckas do this lame gay shit on a pole,

If a hoe ask
Your boy where he got his shit from,

Just tell them stupid sluts it's the new movement,

Myspace freaks
Won't get a friend request, from me because they are
so damn pity.

Boats and hoes,

Grind boats and hoes,
Lick boats and hoes,

Get boats and hoes,

Buy boats and hoes,

Pimp boats and hoes,

Ride boats and hoes,
Steal Boats and hoes,

Stay on boats and hoes,

Slap boats and hoes,

Boats and hoes.
