Don't even know why I try anymore the world is
crashing down on me what did I ever do wrong,

feels like playing around in a garden of magical
mushrooms and just forgetting about everything,

for awhile you're a dream but I'm wide awake,

recently your ego is going through the roof you have
no idea what it feels like to be me,

she's becoming less attractive with each toot tired of
this,

I just wanna have fun mixing it up living life that's how
everything is suppose to go,

whores explain yourself to the press and now we must
drink,

zion pain away forever.

Come get it up,

I said get it up,

don't get it up,

say get it up,

wanna get it up,

just get it up,

wow get it up,

get it up,

pay get it up,

play get it up,

come on get it up.
