Hey yo get them in a submission hold these rookies will  
be tapping out to my freestyles,

Dudes who talk  
Trash will get their face split when you hear that bang  
the game is over,

The commandos are in charge and we  
Are taking over swagger jackin off these dudes  
because they be hating on my style that I got,

My neck is so  
Icy cranking my dance from the left jockin on thoses  
haters to da right,

Left right to downtown do the  
Peoples's elbow across their chest like that,

Everytime we step through da ropes we fight for honor  
Loyalty and respect hey.

Crank dat joker drop with it,

Crank dat joker you know it,

Crank dat joker do my  
Dance,

Crank dat joker do it,

Crank  
Dat joker crank it on da floor,

Crank dat joker hey,

Crank dat joker,

Crank dat joker,

Crank dat joker,

Crank it on da floor.

Just a sexy boy with the reject lifestyle hit them hard  
With the hardcore playmaker ddt on the mat,

Survive if I let you suplexing you through a table doing  
a triple  
Jump moonsault off the top rope,

Tag me in cover them suckas for the pin the squad is  
bringing the groove back  
To da streets throwing you in the trash making reckless  
decisions,

Don't waste my time with yo nonsense  
The agony of defeat has brought me down,

Knock them or sock them in a gutter yo bounce ya head  
on the  
Platter,

Breaking the matrix code off my collar letting my  
shoulder lean to da ground just like that hey.

Crank dat joker that's how we do it,

Crank dat joker you know it,

Crank dat joker do it,

Crank dat joker Do my dance,

Crank dat joker drop with it,

Crank dat joker get with it,

Crank dat joker bounce with it,

Crank Dat joker,

Crank dat joker,

Crank dat joker hey.

Hit the booty dew let me see how you do that dance  
baby,

Stop fronting I am just stunting baby through the city all  
night long,

Bashing yo skulls your veins will be  
Bleeding everytime you listen to this song,

Busting yo brains spilling blood and guts all over the  
place,

Making you feel dizzy repeating the same verse over  
and over again,

Step to the right slide to da left bounce back  
Then you whirl to da dance,

Hit yo booty on the floor snap yo fingers to the beat just  
do it in real slow  
Motion hey.

Crank dat joker get with it,

Crank dat joker drop with it,

Crank dat joker do my dance,

Crank dat  
Joker that's how we do it,

Crank dat joker do it,

Crank dat joker bounce with it,

Crank dat joker you  
Know it,

Crank dat joker,

Crank it on da floor,

Crank dat joker,

Crank dat joker,

Crank dat joker hey.
