(Verse 1)

When you stare into my gaze,

I can find you in a haze,

I see your face,

your hair,

your skin,

I find myself comatose again,

It swims through my soul,

it echoes in the hall,

how am I supposed to know,

when we're gonna lose it all,
I know what I feel for you,

I don't how to explain,

but I know for sure one thing,

I'll never be the same,

You are so real,

you are so fun,

you remind me,

of the setting sun.

(Chorus)

You're the reason,

why I am so happy everyday,

because all I do,

is think of you,
just dropping tears outta,
sight,
If I walked up to you,
and ask you can I give you a,
hug,
what will you say or do,
because I need one right,
now,
just dropping tears outta,
sight,
I wanna ask you out on a,
date,
but I can't because I am way,
to shy,
just dropping tears outta,
Sight,
See this might be my only,
chance,
I have of getting her,
to like me,
because I need someone,
to spend my time with,
so I guess that's how it go's,
then,

just dropping tears outta,
sight.

(Verse 2)

We might not be perfect,

but everything is worth it,

when I see your gorgeous,

smile,

I'm so utterly completely,

in love with you,

but I need to live,

in the moment with you,

tonight I need to be here,

in this moment,

with you tonight,

Your kiss is irresistible,

I crave your loving touch,

your eyes are most,

unbearable I'm delving in too,

much of your love,

In the sun,

I miss you,

I want you so bad.

(Chorus)

You're the reason,

why I am so happy everyday,

because all I do,

is think of you,

just dropping tears outta,
sight,
If I walked up to you,
and ask you can I give you a,
hug,
what will you say or do,
because I need one right,
now,
just dropping tears outta,
sight,
I wanna ask you out on a,
date,
but I can't because I am way,
to shy,
just dropping tears outta,
sight,
See this might be my only,
chance I have of getting her,
to like me
because I need someone,
to spend my time with,
so I guess that's how it go's,
then just dropping tears,
outta sight.

(Verse 3)
I am always losing my mind,

over that girl right there,
because she might be the,
one,
I was looking for all my life,
everytime I see your beauty,
that is keeping me from,
reaching my goal,
Even though I don't have a,
chance of asking you out,
I will always like you,
for who you are,
I just wanna be happy now,
So can you just be my friend,
as I try to get this feeling off,
my chest for the last time.

(Chorus)
You're the reason,
why I am so happy everyday,
because all I do,
is think of you,
just dropping tears outta,
sight,
If I walked up to you,
and ask you can I give you a,
hug,
what will you say or do,

because I need one right,
now,
just dropping tears outta,
sight,
I wanna ask you out on a,
date,
but I can't because I am way,
to shy,
just dropping tears outta,
sight,
See this might be my only,
chance I have of getting her,
to like me because I need,
someone to spend my time,
with,
so I guess that's how it go's,
then just dropping tears,
outta,
sight.

(Bridge)

The only thing I can say,
is I'm in love with you,
so let me be honest,
and tell you how I truly feel,
The only thing I can say is,
I'm In love with you,

so let me be honest and tell

you how I truly feel.

(Chorus)

You're the reason,

why I am so happy everyday,

because all I do,

is think of you,

just dropping tears outta,

sight,

If I walked up to you,

and ask you can I give you a,

hug,

what will you say or do,

because I need one right,

now,

just dropping tears outta,

sight,

I wanna ask you out on date,

but I can't because I am way,

to shy,

just dropping tears outta,

sight,

See this might be my only,

chance I have of getting her,

to like me because I need,

someone to spend my time,

with,
so I guess that's how it go's,
then just dropping tears,
outta,
sight.
