Pop out at da shootouts coming to the crime scene
screaming bloody murder, our decade got so much
history you can't even imagine, haze and crack roll it in
a blunt smoke that shit with my boys in the back, my
problemz put me in a bad stance so I gotta save my
wealth until the next day, me and my krew just reach
legendary status to claim spot into the hall of fame.
Hustlers anthem, we grind paper to this hustlers
anthem, I got so much money for my hustlers anthem,
niggas ain't ready for our hustlers anthem, you dudes
who hate on us can't handle this hustlers anthem, we
bring problems to your hustlers anthem, w.o.d is so
sick with my hustlers anthem, you better listen to this
hustlers anthem shit right here, hustlers anthem.
