## "I Am Sorry"

Visit "[I Am Sorry](#)" on [MotoLyrics.com](http://MotoLyrics.com)

(Verse 1)

Everyday it's the same thing,

I go through,

because I am done,

with people who wanna bring,

me down,

now taking a road to process,

of making friend's,

Do you really know how,

this make's me feel inside,

yeah I am the only one,

who stand's out from you,

hater's,

because ya'll don't know how,

to write song's except for me,

But you know,

it doesn't matter at all,

because the one's that do,

know me well,

we are friend's till the end,

And I have got respect,

for ya'll,

also I am really glad,

I have them by my side.

(Chorus)

All I ever wanted was to be,

forgiving,

But the saken truth I keep,

Is making me more mad,

I am sorry,

It's really my fault,

For the mistakes that was,

made,

Couldn't handle the pressure,

on my own,

I am sorry.

(Verse 2)

Nobody doesn't understand,

why I write song's there are,

to many reasons to explain,

Because before I never get,

notice,

People don't talk to me,

Nobody know's who I am,

I struggle with so many,

thing's in my life,

Now I am here,

trying to prove everybody,

wrong when I been a failure,

at mostly everything that I,

did,

Anywhere I go I always rap,  
and sing,  
or do a lot of freestyle's,  
sometimes it's just,  
something I like to do,  
All my word's don't describe,  
the message I am trying,  
to bring to you,  
I just wish my song's,  
could connect to my,  
Fellow follower's,  
If they interpret my song's,  
the meaning will be revealed,  
and sometime's that is,  
hurting,  
my feelings and emotions,  
real bad,  
How people are making,  
a mockery outta me,  
by pretending like I don't,  
exist.

(Chorus)  
All I ever wanted was to be,  
forgiving,  
But the saken truth I keep,  
Is making me more mad,  
I am sorry,

It's really my fault,  
For the mistakes that was,  
  
made,  
Couldn't handle the pressure,  
  
on my own,  
I am sorry.

(Verse 3)  
If you girl's just took the time,  
  
to get to know me we can,  
  
become great friend's,  
  
Because if you're really,  
  
my friend,  
  
then from this point on,  
  
just let me know,  
  
that's not cool,  
  
How everyone is treating me,  
  
today,  
  
Oh well right that's to bad,  
  
for me,  
  
it's just the way of life.

(Chorus)  
All I ever wanted was to be,  
  
forgiving,  
But the saken truth I keep,  
Is making me more mad,  
I am sorry,

It's really my fault,  
For the mistakes that was,  
  
made,  
Couldn't handle the pressure,  
  
on my own,

I am sorry.

(Verse 4)

I fucked up my life again,  
Just trying to get your damn,

Attention for weeks,

You bitches can't even,

Handle my words

Because everytime I get,

close,

To one of you,  
Ya'll just keep pushing me,

Away,

Whenever i needed help,

Nobody never said that,

They will be there for me,

It's the truth i am setting my,

Self free,

From your piteous

Bullshit,

These bastard's got,

Nothing else to do in

Life,

If you don't know my name,

You're just completely,

Plain stupid.

(Chorus)

All I ever wanted was to be,

forgiving,

But the saken truth I keep,  
Is making me more mad,  
I am sorry,

It's really my fault,  
For the mistakes that was,

made,  
Couldn't handle the pressure,  
on my own,

I am sorry.

(Verse 5)

The expectation is beating,

the confidence outta,

my mind,

Nervous under stress trying,

to make you understand,

who I am,

I felt grief when our,

friendship almost,

left out the door,

Inside I am overdosed,

with,

low frustration tolerance.

(Chorus)

All I ever wanted was to be,

forgiving,

But the saken truth I keep,

Is making me more mad,

I am sorry,

It's really my fault,  
For the mistakes that was,

made,  
Couldn't handle the pressure,

on my own,  
I am sorry.

(Verse 6)

I'm a pathetic loser,

who promised myself,

I would get better,

I will take over,

my unsuccessful life,

so I can put more effort,

into,

my feelings and emotions,

Maintaining the love,

and respect I got for you,

still your faith is the key,

to my lonely breaking heart.

(Chorus)

All I ever wanted was to be,

forgiving,

But the saken truth I keep,

Is making me more mad,

I am sorry,

It's really my fault,

For the mistakes that was,

made,

Couldn't handle the pressure,

on my own,

I am sorry.

(Verse 7)

Today people are just being,

hypocrite's,

and,  
criticizing the way I do,  
thing's,  
I been humiliated for years,  
so why won't it stop now,  
Go bring that judgemental,  
shit somewhere else,  
because I don't care,  
for what you have to say,  
It ain't our fault how these,  
individual's are being mean,  
and rude toward's everybody,  
So if ya got hatred against,  
me just say it out loud.

(Chrous)  
All I ever wanted was to be,  
forgiving,  
But the saken truth I keep,  
Is making me more mad,  
I am sorry,  
It's really my fault,  
For the mistakes that was,  
made,  
Couldn't handle the pressure,  
on my own,  
I am sorry.

(Bridge)  
If someone crushed your,

dreams and,  
dislike's the things you do,  
(don't give up),  
They are hurting,  
your feelings and emotions,  
or putting you down more,  
(take a stand),  
People don't wanna,  
talk to me,  
(so fuck them all),  
Stop telling lies and just,  
(give me the respect I deserved),  
If I can't make friend's,  
right now,  
(that's to bad),  
Becoming a failure in life,  
(it's over and I'm done),  
Sheding tears over some,  
deeply things,  
(I can't understand),  
Showing people who you,  
really are,  
( by proving them wrong).  
(Chrous)  
All I ever wanted was to be,  
forgiving,

But the saken truth I keep,  
Is making me more mad,  
I am sorry,

It's really my fault,  
For the mistakes that was,

made,

Couldn't handle the pressure,

on my own,

I am sorry.

All I ever wanted was to be,

forgiving,  
But the saken truth I keep,  
Is making me more mad,  
I am sorry,

It's really my fault,  
For the mistakes that was,

made,  
Couldn't handle the pressure,

on my own,

I am sorry.
