(Verse 1)

Here we go rocking the world,
Without no deal's,
When you don't jock on skinnies,
I be coping some pennies,
Can't tell another fag how to bag that rag,
Because I get it in cheaper than fruity loops,
Go ahead put peeble's in your mouth and swallow like
after tomorrow,
Beat a bitch so quick she might never know it's me ya
dig,
I got my later gaterz on because you haterz,
Don't know how to check out the swagger yet,
Never better so just become alittle bed wetter,
Nah my nigga if ya gotta problem,
I'm fresher wit bread still cookin up head,
Chick's won't give lurp'z until they gonna burp,
So keep slurping on this.

(Chrous)

Put your hand's up,
If you got dope in the trunk,
Because this thing ain't popping no more,
Let's rock this crazy party.

(Verse 2)

My goonz getting all green probably smoking weed
from a tree,
I am straight up felony wanted for assault and battery,
Please you bullshiter's could charge this on my earning
salary,
Because I'm going on a vicious crime spree,
I don't freaking play when it comes to my money nigga,
Ain't getting pay if you're life's on debt,
Come and get murk ay shooting em inside the dome.

(Chrous)

Put your hand's up,
If you got dope in the trunk,
Because this thing ain't popping no more,
Let's rock this crazy party.

(Verse 3)

Yo hoe is grinding with a pimp who can't even limp,
On some other shit then motherfucker,
I am fresh taking flesh off your chest,
My goonz are sitting in a room smoking dro damn still
not letting it go,
Simply writing a test for the rest because ya'll can't
blame me for being the best,
Dropping another tick when delievering those's stained
brick's,
If ya ain't getting pick,
Just go suck that dick bitch because,
You trick's isn't worth nothing.

(Chrous)

Put your hand's up,
If you got dope in the trunk,
Because this thing ain't popping no more,
Let's rock this crazy party.
