(Verse 1)

Sorry if my happiness hurts,

you,

I know that doe'snt matter,

to everybody,

it's because I struggle,

with so much things,

just can't handle the,

pressure,

that's on me right now,

and I always been through,

bad experiences in my life,

I don't know the reasons why,

am I turning this way for,

understand it's not my fault,

please just let my voice,

be heard,

your the girl I really want,

so the smile that I see,

is the melody inside of my,

mind,

there's no such thing,

as being too young because,
you can't see through me,
I'm too fast for ya'll,
to see it's just too bad,
that they won't ever be with,
me,
when I come around in your,
town,
my classmates don't know,
I exist,
because,
it's like a face that they see,
right through me,
love is a word that I can't,
understand,
I'm fallin through the door,
flyin cross the floor,
when you look at me,
suddenly it's clear,
let love take flight,
and just let your heart be,
the guide,
everyday I still fall,
more and more in love,
just when I thought things,

couldn't get any better it did,
nice to know you were there,
pretending to care so much,
for my happy ending.

(Chorus)

Don't ever believe in,

someone,

if you can't put all of your,

trust in them to hold,

liar,

The paranoia is reaching my,

veins,

I won't let it control me again,
liar,

There are so many reasons,

that I gotta prove to the,

world,

liar,

Don't know how to explain,

so just interpret the meaning,

if my hatred that's inside of,

me liar.

(Verse 2)

I don't know where I stand,

with you,

and I don't know what I mean,

to you,

all I know is everytime,
I think of you,
all I wanna do,
is be with you,
try your best to forgive,
and forget,
and move on,
so you can be free,
just felt as if somebody,
needed that today,
there's a million things,
you know I want to say to,
you,
but I'll just leave it at that,
probably remembering all,
the good times,
I had someone asked me,
if I missed you,
I didn't answer,
I just closed my eyes,
and walked away,
then I whispered so much,
if your not happy,
with something,
tell me instead of hurting,
my feelings and emotions,

you've got me smiling in my,
sleep,
I'm so glad I have no,
freaking friends,
thanks for talking behind my,
back,
grow old with me,
the best is yet to be,
I think that possible maybe,
I'm falling for this girl,
still I think that I'm just,
gonna,
give up,
don't never come back,
to break my heart inside,
I guess I'm not,
what ya wanted,
then at all feel pathetic,
and when I started to cry,
kinda always knew that,
people would treat me,
different live your life anyway,
you want,
to forget about those,
who you've lost in the past,

cause there must be a good,
reason that they're not in,
your present or future.

(Chorus)

Don't ever believe in,

someone,

if you can't put all of your,

trust in them,

to hold liar,

The paranoia is reaching my,

veins,

I won't let it control me again,
liar,

There are so many reasons,

that I gotta prove to the,

world,

liar,

Don't know how to explain,

so just interpret the meaning,

of my hatred that's inside of,

me liar.

(Verse 3)

If ya feel the need to criticize,

look no further than yourself,

so I've decided to eliminate,

drama out of my life,

and make this year much,

better,
if I should stay,
I would be in your way,
so I'll go,
but I know I'll think of you,
every step of the way,,
it's like my classmates,
are pretending to be my,
friends,
so they won't hurt,
my feelings more,
if they are just be honest,
and say it straight to my face,
then,
I am always thinking about,
her,
everyday,
but when she laughs that will,
make me happy,
even though you don't notice,
the expression I show,
when you're around with your,
friends,
and when we walk pass each,
other in the school hallways,
that will make me sad,

because I just wanna hug,
you,
and say hi sometimes but I'm,
way to shy.

(Chorus)
Don't ever believe in,
someone,
if you can't put all of your,
trust in them to hold,
liar,

The paranoia is reaching my,
veins,

I won't let it control me again,
liar,

There are so many reasons,
that I gotta prove to the,
world,
liar,

Don't know how to explain,
so just interpret the meaning,
of my hatred that's inside,
of me,
liar.

(Verse 4)
It doesn't matter,
because everything I try,
will always fail,

just wishing you could talk,
to me right now,
I am so sorry,
for those's who went through,
all the tragedy,
see I suffer from paranoia,
it's a mental disorder,
shedding a lot of tears,
out my eyes,
interpret this reason,
rising tensions,
hanging above from us.

(Chorus)

Don't ever believe in,

someone,

if you can't put all of your,

trust in them,

to hold,

liar,

The paranoia is reaching my,

veins,

I won't let it control me again,

liar,

There are so many reasons,

that I gotta prove to the,

world,

liar,

Don't know how to explain,
so just interpret the meaning,
of my hatred that's inside,
of me,
liar.

(Bridge)
Only those things are,
beautiful which are inspired,
by madness and written by,
reason,
Only those things are,
beautiful which are inspired,
by madness and written by,
reason.

(Chorus)
Don't ever believe in,
someone,
if you can't put all of your,
trust in them,
to hold,
liar,
The paranoia is reaching my,
veins,
I won't let it control me again,
liar,

There are so many reasons,
that I gotta prove to the,
world,
liar,
Don't know how to explain,
so just interpret the meaning,
of my hatred that's inside,
of me,
liar.
