Hey this song is about my friendships and relationships with girls that I met and will never have in my life and I just want a girl who will like me for who I am you ready lets go. Delicioso booty she got, this is nuestro world we owned that casa, with my freaky latin charm, teaching them fools some espanol, uno dos tres viva la raza homie, hey don't forget I am loco, I got a lot respeto for mi amigos and la familia, vuestro chica is mine now, and I feel like I should be famoso, when I saw that mamacita come next to me she was real guapo. Love, that love is to addictive for me, my love is here tonight, please don't take this love away, lets fall in love for the first time, we shared beautiful love together, she is doing that freaky love, our passion of love is strong, do you feel this love, let my love sink in your heart. Every girl that I meet I will say nice things about them, and treat them with respect no matter what, and I will show them what they really mean to me, I got no friends to talk to, people are so mean to so that's why I stay in the house, my song is about me and how I feel about haveing a girlfriend In my life, everytime I talk to a girl I wanna show them, how I really feel about them, if you are in trouble just tell me, and I will make the bad guys go away, they will never bother you again I promise, this is a huge impact that will never go away, girl don't like me so I will forgive them for that. Love, what is love, do you feel this love, our passion of love is strong, she is doing that freaky love, we shared beautiful love together, lets fall in love for the first time, please don't take this love away, my love is here tonight, that love is to addictive for me. When our love soars I will find you out there somewhere, and I will hold in my arms real tight, nothing have ever change since as our life grows, we must go our seprate ways, I never had a girlfriend before, I just wanna have one to see how it feels, I will reach that star so I could be with you, all day long we will look at this moment forever, I will be right by your side if you need me, no matter what you are still special to me, I don't wanna see you walking out that door, please don't leave me hanging on and on again. Love, that love is to addictive for me, my love is here tonight, please don't take this

love away, lets fall in love for the first time, we shared beautiful love together, she is doing that freaky love, our passion of love is strong, do you feel this love. Hey excuse me miss I was looking at you from across the room, and I was wondering if you wanna to dance with me, everytime I stare in your eyes I could see the joy we have, I feel there's something between us, nothing will tear us apart and I just love the way you smile, and I hope you feel the same way about me, because I had my heart broken so many times, what I am trying to say is I just want you in my life forever. Love, what is love, do you feel this love, our passion of love is strong, she is doing that freaky love, we shared beautiful love together, lets fall in love for the first time, please don't take this love away, my love is here tonight, that love is to addictive for me, love, love, love, love, love, love, love, love, I love you so much.
