(Verse 1)

Okay let's see I feel you,

I breathe you it's hard to see,

my heart it fell apart when,

you almost said goodbye,

we were the best of friends,

Traded it all for love,

till the end,

I lie I hurt when your not around,

Just wishing and praying,

you'll stick around with me.

(Hook)

You make my heart sing,

to it's own beat,

you make me laugh,

when it seems life's to hard,

I cope with everything that,

goes on in life,

Cause at the end of the day,

I know I got you,

it's true all I need is you,

I breathe you,

I see you,

everywhere I feel you,

want you always.

(Chorus)

My first sweet valentine,

My first sweet valentine,

My first sweet valentine,

My first sweet valentine.

(Verse 2)

Let me tell you,

how I truly feel,

so let me reveal,

the true emotions that,

I kept inside within me,

Everyday you're the reason,

why I am so happy gotta,

express these feelings that,

I kept inside within me.

(Chorus)

My first sweet valentine,

My first sweet valentine,

My first sweet valentine,

My first sweet valentine.

(Verse 3)

If you're my friend yes or no,

it doesn't matter to me at all,

because maybe this is the,

new beginning of our friendship,

Until the end comes,  
you will always be in my heart,  
Still just falling for you,  
when I am acting insane,  
so that's why I like you.

(Chorus)  
My first sweet valentine,  
My first sweet valentine,  
My first sweet valentine,  
My first sweet valentine.

(Verse 4)  
This heart of mine,  
it beat's for you,  
I see your smile,  
it makes the sky turn blue,  
the bird's sing,  
the flowers bloom,  
The world turns because of you,  
when I sit all alone,  
my thoughts they turn,  
straight to you,  
I'm never alone as long,  
as I have you.

(Chorus)  
My first sweet valentine,  
My first sweet valentine,  
My first sweet valentine,

My first sweet valentine.

(Bridge)

If I wrote a song for you,

when valentine's day comes,

are you gonna be happy,

If I wrote a song for you,

when valentine's day comes,

are you gonna be happy,

after I say the words,

you wanna hear,

If I wrote a song for you,

when valentine's day comes,

could we please become,

friends as I hold and hug,

you tight in my arms.

(Hook)

You make my heart sing,

to it's own beat,

you make me laugh,

when it seems life's to hard,

I cope with everything that,

goe's on in life,

Cause at the end of the day,

I know I got you,

it's true all I need is you,

I breathe you,

I see you,

everywhere I feel you,

need you,

want you always.

(Chorus)

My first sweet valentine,

My first sweet valentine,

My first sweet valentine,

My first sweet valentine,

My first sweet valentine,

My first sweet valentine.
