(Verse 1)

Yo here I go again,

just writing some line's on a,

piece of paper,

And rapping out word's,

through the beat of my,

instrumental,

But everybody like's my flow,

because I drop dime's,

Even though they can't rock,

nine's.

(Chrous)

My first verse,

I am the next superstar,

spitting rhyme's for all of you,

hater's out there,

My first verse,

I am the next superstar,

spitting rhyme's for all of you,

hater's out there.

(Verse 2)

Watching the scene's go by,

still gonna shine as always,

and if you wanna hate go,
right ahead,
Because I be jiggalating,
with everybody that know's,
me,
yeah okay I'm winning,
the division freestyle title,
Just coming off stage,
after letting people hear,
who's the best is.

(Chrous)

Dripping stain's when,
whipping the rim's so clean,

Riding around yo block,
hiding in some spot's,

cash,
slipping chain's on my neck,
oh it feel's so icy,
Because if ya got a problem,
with me just take it up in the,
streets.

(Chrous)
