Hey I got my own adidas with different colors on them
they shine like a big rainbow in the sky,

see I wear matching colors with them wardrobes pop
out at the club and I must take these pussy boppers to
the next level,

cops arrest drug dealers because they sell weed
grams that got so many inches,

to a young boy at his first young age.

My rainbow sneakers,

rock this swagger with my rainbow sneakers,

bright colors on them rainbow sneakers,

pose in these rainbow sneakers,

blow dust off those rainbow sneakers,

my rainbow sneakers.

Eat slice bread deal cards at the poker table but tramps
don't get tours because they just slurp on our tips,

nah I am just playing with you if she got layed go get
another thick bitch,

I got them explicit mature retarded lyrics that goes
straight right to your mouth,

and if you don't know now you know nigga.

My rainbow sneakers,

stunt in my rainbow sneakers,
clean them rainbow sneakers,
blow the dust off those
rainbow sneakers,

rock this
swagger with these rainbow sneakers,

bright colors on yo rainbow sneakers,

my rainbow sneakers.

Pour tranquilla maybe pull down some zippers and
probably make yo girl go horny for some,

pull my trigger off this ak47 pistol when it comes at you
like a missile,

dudes and girls say they could describe me mr. Md but
they can't because dang man that was just a fluke of
your lame joke.

My rainbow sneakers,

blow the dust off them rainbow sneakers,

pose in
these rainbow sneakers,

rock this swagger with those rainbow sneakers,

bright colors on yo rainbow sneakers,

my rainbow sneakers.

Red hot double mint big wet juicy bootys coming
through yo door holla at a chick,

text this one until the morning,

everywhere I go this is my hood people know my name
around here ain't that good,

when the girls see me they say what's up to their boy,

some of these dudes clap me up time after time
because they know what I do for a living,

yo am a songwriter and I got my own band if you don't
know about us ask my other members,

they represent w.o.d for life because we get down with
it,

so much haters on tha block but what a disgrace,

they don't know how to throw it up like we do.

My rainbow sneakers,

blow the dust off them rainbow sneakers,

bright colors on yo rainbow sneakers,

rock this swagger with my rainbow sneakers,

pose in these rainbow sneakers,

stunt in those rainbow sneakers,

clean my rainbow sneakers.
