(Verse 1)

I just broke down,

if I ever get to be with you,

again,

that will be so nice,

when I looked into your eyes,

the moment that I let you go,

wow I just realized,

what I did today,

okay,

she always fix my heart,

I know who you are out there,

yo there's something special,

about you,

that I like the most,

the only thing,

I still believe in is you,

if you only knew,

and no one really cares,

about how I feel,

I'm in love with that girl,

forever,

you know I want you,
so yes it's true I changed,
a lot I have been through so,
much,
but if it was'nt for you,
I would be alone and,
nowhere,
I like you but do you care,
about me anyway,
trying to find myself a friend,
so will ya please be mine.

(Chorus)

My special girl,

I wish you was my friend,

my special girl,

just talk to me sometime,

if you want,

my special girl,

it's your time to shine,

my special girl,

everything is gonna make,

a change between us,

my special girl,

my special girl.

(Verse 2)

Stuck on this girl,

till the end of time,
anyway do I turn you on,
at all,
when I kiss you baby,
yes I feel better than ever,
so blessed to you have you,
in my life,
and all that leads to is a,
disappointment,
read my lips,
the joke it is on you now,
because I'm gonna wipe that,
smile off your face,
and she is the one I have,
been looking for my entire,
life,
because all I ever wanted,
was a friend,
who likes me,
for who I am,
I guess.

(Chorus)
My special girl,

I wish you was my friend,
my special girl,
just talk to me sometime,

if you want,
my special girl,
it's your time to shine,
my special girl,
everything is gonna make,
a change between us,
my special girl,
my special girl.

(Verse 3)

Your making me cry,
everyday,
because I'm not allowed,
to be in love,
I got to go for now,
I love you,
my special friend,
you're the perfect girl for me,
I love that smile of yours,
which makes me smile too,
see I cried all night,
at thought of losing you,
so how could I be so stupid,
then.

(Chorus)

My special girl,
I wish you was my friend,
my special girl,

just talk to me sometime,
if you want,
my special girl,
it's your time to shine,
my special girl,
everything is gonna make,
a change between us,
my special girl,
my special girl.
