We like to goon on the internet that shit gets wack just
like that yo I got my krew w.o.d with me bitch,

I am skully B get that straight through your head,

yo yo yo like I said before my name is skully it rhymes
with bully I am trying to have a conservation with my
bro,

trying to make a song but you keep bugging us don't
mad get glad nigga that your rap and freestyle is wack
just like that,

yo girl over there just got me nervous,

I feel like am gonna burp out loud to stink the room got
them anxious bass beats just whipping the crowd with
my damn self confidence,

speaking mysterious words that make no sense we be
making our hectic new world disorder coming to a end
real soon,

this is for all my B town boys out here all I want you to
do is say what's up.

The warriors,

getting crunk with my krew the warriors,

too icey the warriors,

who is untouchable the warriors,

so certified the warriors,

better get down with us the warriors,

bucking a bitch the warriors,

too bad for ya the warriors,

can't stop us now the
warriors,

the warriors.

You're gonna be on da floor laying down with bumps
and bruises on your body,

because you just got knock the fuck out there's nothing
you gotta know about me but,

I will tell you I am a little gangsta,

mess with me I will fucking mess you up and take all
your girls your skit ain't real but my flow is dropping
deadly hits in the streets,

I got my own band but we need a logo to represent.

The warriors who is untouchable,

too icy the warriors,

can't stop us now the warriors,

getting my with krew the warriors,

bucking a bitch the warriors,

so certified the warriors,

too bad for ya the warriors,

better get down with us the warriors,

the warriors.

My attire is sick like a wanksta setting a new trend for
these bums cracking jokes on a nigga,

feeling real dope when we ride on that rainbow cuff her
hands to the bed make it rough to a pest,

take yo girl blow her ass on me tap it or slap it across
those butt cheeks.

The warriors,

can't stop us now the warriors,

who is untouchable the warriors,

better get down with us the warriors,
too icy the warriors,
so certified the warriors,
too bad for ya the warriors,
bucking a bitch the warriors,
getting crunk with my krew the warriors,
the warriors.

Giving me power to apply pressure I said what in the
butt,

our revolution will begin today running to touchdown
trying to get a superbowl,

cap a bitch until I get them in bed fuck the world
because my squad is on a killing spree.

The warriors,

Bucking a bitch the warriors,
getting crunk with my krew the warriors,
too bad for ya the warriors,
too icy the warriors,
so certified the warriors,
better get down with us the warriors,
who is untouchable the warriors,
can't stop us now the warriors,
the warriors.

Everybody know we got da sick crushable skills one
strike one hit boom to your chest with the da sword of
death,

I am a young nigga who's too official for these hoe's
with my new look pop a nigga because that dro got me
all fucked up,

myspace and aim is so wack because these hoe's only
want a dick to suck on,

and they can't even get no pussy from a bitch.

The warriors,

who is untouchable the warriors,

can't stop us now the warriors,

better get down with us the warriors,

too icey the warriors,

so certified the warriors,

too bad for ya the warriors,

getting crunk with my krew the warriors,

bucking a bitch the warriors,

the warriors.
