their right when they say you can't trust anymore I go dumb I get real retarded,

just add this vip to your friend's list it's your turn now bitch.

Wanksta status,

What a great opportunity I lost that sucks a lot but tomorrow is another day I hope,

I didn't make a mistake is getting our ducks in a row,
there's no debating that am da greatest my shine is
anticipated,

What we think or what we know or what we believe is in
the end of a little consequence,

the only consequence is what we do hehe this nigga
forgot to sign off I'm hacking like crazy but it's all love,

damn how sad I can't even blaze anymore I have to
take u a's now if you don't understand,

just take a picture with yo big digital pixel camera
everywhere I go it's flashlights that blinds me if I look
at you,

I am the nicest guy you people will ever meet in your
lifetime buddy if they are shame of this,

you suckas better testify against me or else.

Wanksta status,

we bust yo wanksta status,

they clap them wanksta status,
get those wanksta status in your hood,
these fools don't got wanksta status,
put it up if you have wanksta status,
so many wanksta are fake,
just take my wanksta status,
wanksta status.

I will break you motherfucking idiots face's off tired off
da same shit I go through letting everything go,
and starting brand new fuck it it's time to do me,

I swear these broanies need to stay out of people's
damn business it's amazing how you can talk shit about
someone,

and then be friend's with them again but why do I
associate with people like that.

Wanksta status,
we bust yo wanksta status,
they clap them wanksta status,
get those wanksta status in your hood,
these fools don't got wanksta status,
put it up if you have wanksta status,
so many wanksta status are fake,

wanksta status.

Friend's are people who stick by your side no matter
what even though you are going through some good
and bad times,

dang your freaking words are useless to us nigga,
if your dumb enough to go fuck around then I'll just be

smart enough to let your ass go,

think about what you got I wouldn't want too lose me
because am just simply the best,

nobody doesn't care or gives a fuck about me because
they never appreciate for all I done for them.

Wanksta status,

we bust yo wanksta status,

they clap them wanksta status,

get those wanksta status in your hood,

these fools don't got wanksta status,

put it up if you have wanksta status,

so many wanksta status are fake,

just take my wanksta status,

wanksta status.

Pimping hoes everywhere we go I am still thinking
about what went wrong I am running this shit,

I am so exhausted batter up bitches but approach with
caution,

we had a lot of fun and shared so many laughs but
that's all done it's in the past,

but you had to run your mouth and talk your shit now
your bed is made.

Wanksta status,

we bust yo wanksta status,

they clap them wanksta status,

get those wanksta status in your hood,

these fools don't got wanksta status,

put it up If you have wanksta status,

so many wanksta status are fake,

just take my wanksta status,

wanksta status.
