Something's hanging down on the boneyard tree  
Something's hanging down on the boneyard tree  
Little girl I loved you so much  
Why'd you go and give away your touch  
Something's hanging down on the boneyard tree

I just don't know how all this came to be  
I don't know how I'll get these stains off me  
You see I sees you walking down in God's yard  
Saw steamy windows backseat of your car  
Something's hanging down on the boneyard tree

Oh I feel I'm fading  
Oh the fire's blazing  
Oh you can look for she  
Down on the boneyard tree

What's with all these voices calling on me  
Soft little whispers wanna see me bleed  
Can't you see I've suffered so much  
You lost life but I lost true love  
Something's hanging down on the boneyard tree

Oh I feel I'm fading  
Oh the fire's blazing  
Oh you can look for she  
Down on the boneyard tree

Oh I feel I'm fading  
Oh the fire's blazing  
Oh you can look for she  
Down on the boneyard tree

Something's hanging down on the boneyard tree  
Something's hanging down on the boneyard tree  
Your face is locked in a look of distress  
Still you look cute in your blood red dress  
Something's hanging down on the boneyard tree
