What's all this talk about  
Planning for the crisis  
I'm not thinking like that at all  
Smiling faces are my Dionysis  
I'm not thinking clear at all

Hold on crazy one  
I know what you're thinking  
'Cause it's not looking great right now  
So what's this talk about  
Planning for the crisis  
I'm not thinking like that at all

Yeah as much as I can say  
It's hard for me to stay away  
Ever and ever  
Yeah as far as any eye can see  
You're looking pretty fine to me  
Better and better  
Yeah as far as I can tell  
We're on the road to brighter hell  
Over and over  
Yeah as far as I can tell  
We're on the road to brighter hell

Fade out turn me up  
Wrap your mind around me  
For all and every one to see  
What would you say falling from a building  
So far so free  
So far so free

Yeah as much as I can say  
It's hard for me to stay away  
Ever and ever  
Yeah as far as any eye can see  
You're looking pretty fine to me  
Better and better  
Yeah as far as I can tell  
We're on the road to brighter hell  
Over and over  
Yeah as far as I can tell

We're on the road to brighter hell

Yeah as much as I can say  
It's hard for me to stay away  
Ever and ever  
Yeah as far as any eye can see  
You're looking pretty fine to me  
Better and better  
Yeah as far as I can tell  
We're on the road to brighter hell  
Over and over  
Yeah as far as I can tell  
We're on the road to brighter hell
