Crazy days are crazy days indeed
I'm wondering when I'll come down from this peak
Wondering about the girl who's in my dreams
Wondering if she'll ever let me be so I can sleep

When you coming home

The pretty faces they're all gone as soon as you smash
the bong
The funny thing is I knew it all along
Holding on and singing we were steady but still drifting
Hour of blindness, that is timeless, bright lights seem
to save

Crazy days are crazy days indeed
I'm using people to fill my every need
Wondering about the girl who's in my dreams
Wondering if I'll ever stop my screams and my crying

When are you coming home

The pretty faces they're all gone as soon as you smash
the bong
The funny thing is I knew it all along
Holding on and singing we were steady but still drifting
Hour of blindness, that is timeless, bright lights seem
to save

Crazy days are crazy days I'm freed
The dream girl has been washed out to sea
She blew her mind in the killer tide
Leaving me to tow the line

I think I'm coming home
I know I'm coming home
Are you coming home
