Hey mister didn't mean to be so stupid  
And I confess I stole your heart from your chest  
And if I yeah and if I had the chance  
I'd put it back somehow  
Yeah I'd do it

Hey missus you yell amazing contributions  
You know that I don't mind I'm not listening  
Know that if I know that if I had to light myself on fire  
I'd do it  
Yeah I'd do it somehow

Don't you dare shove me away  
Look over your shoulder  
Cause I'm coming over

Don't you dare shove me away  
Look over your shoulder  
Cause I'm coming over

Hey missus can I call when I'm away  
I know that you don't mind but I'm asking anyway  
And if I yeah and if I had to light myself on fire  
I'd do it  
Yeah I'd do it somehow

Don't you dare shove me away  
Look over your shoulder  
Cause I'm coming over

Don't you dare shove me away  
Look over your shoulder  
Cause I'm coming over

Here I sit here I stay  
This loneliness is eating me away  
This loneliness is eating me  
It's forcing me it's feeding me  
This loneliness is eating me away

Don't you dare shove me away  
Look over your shoulder

Cause I'm coming over

Don't you dare shove me away  
Look over your shoulder  
Cause I'm coming over

And I'm falling down  
Seems like I've been there before
