### "Hang On"

you get so lonely all the time  
too young to lose your faith and too old cry

like a storm in the night  
Feel my heart, It's stronger  
I can see in your eyes  
Can you feel the anger?

looking for someone  
looking for someone  
in the eye of the storm  
Tell me I'll find you someday

hang on, nothing lasts forever  
hang on, holding on together  
hang on, nothing lasts forever

You get so lonely to find some way out  
I've been taking my sorrow all this time  
Hear my voice through the night  
Feel the fire burning.

I can see it in your eyes  
Now the dice are rolling

Looking for someone....

Hang on, nothing lasts forever...
