I'm alone and I'm tired
I'm afraid and I'm tired
I'm away trying not to see
What the day brings all I need
I'll stay right here

Got a silent radar
And it's watching you

I'm the same yeah I'm alright
Still alone no one's been by
I'm ashamed trying not to be
In my mind I'll always need
You right here

Got a silent radar
And it's watching you
Got a silent radar
And it's watching you

I'm thinking over and over
(I'm sure I'll find)
Best of times I am the lucky one
(A better life to live)
I'm getting closer and closer
(I'm sure I'll find everyone)
Silent radar sees everyone

Haven't changed though I've tried
Never mind what I know is right
Cause I'm right here

Got a silent radar
And it's watching you

I'm thinking over and over
(I'm sure I'll find)
Best of times I am the lucky one
(A better life to live)
I'm getting closer and closer
(I'm sure I'll find everyone)
Silent radar sees everyone
