"Take Me Higher"

You can not stop me anymore
I tried to be your only love
Feel my pain, feel my sadness once again
See your soul, you will change

Baby, maybe we will get along
I'm going crazy going crazy
It's up to you leaving me
Please don't go, no, no.

Take me higher
I still believe in you
Take me higher
I keep on walking close to you

Looked in my eyes
And said to me
This is the end
You can't say
I'm on my way

It's up to you leaving me
Please don't go
Here baby
Feel my heart right now
I'm going crazy going crazy
It's up to you leaving me
Please remain, stay and teach me.

Take me higher
I still believe in you
Take me higher
I keep on walking close to you

Little woman you really really hurt me
I tried to take in your decision
Can you feel it baby? Oh, baby
Can you feel it baby?
Can you feel my heart?
Can you feel my heart?
Can you feel my heart?

Take me higher
I still believe in you
