Where did you go I counted all the way to ten  
You were nowhere around  
Wrapped my eyes with both my hands stood and  
listened  
Nowhere around

Made my peace with myself now I'm gonna find you  
But right now you're not around

And I tell you  
Where'd ju go  
Where'd ju go  
Where'd ju go

Put on my halo makes me feel angelic too  
Gives me reason takes me up to you  
I'm feelin' okay used to be happier  
Now there's something the matter

Understandin' my self is the only way to find you  
But right now you're not around

And I tell you  
Where'd ju go  
Where'd ju go  
Where'd ju go

Top of the world  
Top of the world  
And my feet are hanging down down down

Hide and seek with my friends yeah well I'll find you  
Right now you're not around

And I tell you  
Where'd ju go  
Where'd ju go  
Where'd ju go
