Don't you, don't you, don't you too...

Hey man, what's the scam, don't you ever understand
Don't you, don't you, don't you understand
Don't you understand

I'm thinking about thinking, I'm thinking about nothing
Ã¢â€šâ€™Cause nothing's about, about all we have
I'm screaming Ã¢â€šâ€™round screaming, screaming
Ã¢â€šâ€™round the house
I got to get my share before all the good times are had

Hey Jon, what's going on, we ain't talkin' for so long
Nothing's happening man, just passing around the
bong
Hey Sam, what's the plan, I'm just chillin' in the sand
Everybody's chillin', hope I make it through the night

(Just another lonely night)
All is silent, all is quiet
(I just wanted to make you right)
All is silent, all is quiet
(I just can't keep playing pretend)
All is silent, all is quiet

I'm thinking about thinking, I'm thinking about lovin' her
Lovin' her for just one night
I'm screaming and screaming, I'm screaming in the
bedroom
Screaming from, from a sexual fright

Hey you, how do you do, can I score a ride with you
Not a chance baby, not if what I heard is true
Hey Trish, who's the bitch, she shouldn't talk to me like
this
Don't worry about it baby, and I'll fix it with a kiss

(Just another lonely night)
All is silent, all is quiet
(I just wanted to make you right)
All is silent, all is quiet
(I just can't keep playing pretend)

All is silent, all is quiet

Climbing up the ladder, climbing for the sun
Climbing up the ladder, climbing for the sun

I'm thinking about thinking, I'm thinking about thinking,
About thinking about Tommy, why'd you go and do
your thing,
I'm thinking about thinking, I'm thinking about Tommy
Why'd you go and why'd you go do your thing, why
d'you go do your thing
Why'd you go and do that, why'd you go and do that
Said I don't know, said I don't know, I don't
