I see that you mean it
I see that you are serious
Have some faith in me like there used to be
Come Sunday IÂ'll be leaving
What do you want me to say
What do you want me to say

Absolutely Anytime
What do you want me to say
Absolutely Anytime
What do you want me to say (time)

Time was that you would understand
No matter what you would believe in
That was years ago times a thief you know
I never meant to be deceiving
What do you want me to say
What do you want me to say

Absolutely Anytime
What do you want me to say
Absolutely Anytime
What do you want me to say
Absolutely Anytime
What do you want me to say
Absolutely Any
What do you want me to say(time)

WhereÂ's the tenderness
WhereÂ's that girl I miss
WhereÂ's the sweetness that would send me flying
Bring her back to me, a grain of apathy
This life is yours thereÂ's no denying
what do you want me to say
What do you want me to say

Absolutely Anytime
What do you want me to say
Absolutely Anytime
What do you want me to say
Absolutely Anytime
Absolutely Anytime

What do you want me to say
Absolutely Anytime
What do you want me to say
